Temporarily suspending Ontario's Senior Driver Licence Renewal Program which requires drivers aged 80 and over to attend an in-person session for road safety training and cognitive testing, every two years, to renew their driver's licence. The Ministry of Transportation will continue to deliver time-critical services, including Motor Vehicle Inspection Station Stock orders and Single-Trip Oversize/Overweight permits. Safety or E-test are currently suspended until further notice. However, they are still mandatory and must be provided when things are back to normal, thus the province extended the renewal expire dates.</p> <p>Glovebox document link Ministry of Transportation Press Release</p>
<p>Prince Edward Island (link)</p>	<p>Open</p> <p>Due to the Public Health Emergency, all expired and expiring PEI Driver Licenses, Voluntary ID Cards, Motor Vehicle Inspections (MVI), and Vehicle Registration Permits that are eligible for renewal are being extended to July 6th, 2020. If required, further extensions will be made. As a result of the provincial responses to mitigating risk of transmission of COVID-19, late fees and license suspension actions will not be taken due to these restrictions and the Province of Prince Edward Island will not be enforcing the collection of fine payments until government returns to normal operations.</p> <p>Mail in work only.</p> <p>Shelter-In-Place Provincewide eff. 03/19/2020</p>
<p>Quebec (link)</p>	<p>To cut down on unnecessary travel, the SAAQ will be providing vehicle registration and driver licensing services on an appointment-only basis to drivers working in sectors that have been deemed essential. Appointments are also required to obtain road vehicle inspection services. The essential services currently offered in service outlets are: the issuance and renewal of a driver's licence and vehicle registration for drivers of vehicles who work in sectors that are deemed essential and who require a driver's licence in order to carry out their work; the replacement of a lost, stolen or damaged driver's licence; the issuance of a restricted licence further to a penalty and the installation of an alcohol ignition interlock device; the issuance of a new licence at the end of a penalty; the exchange of a new resident's foreign driver's licence if the licence in question is necessary for work or business; the registration of a new vehicle, if the vehicle in question is necessary for work or business; knowledge and road tests, if the driver's licence is necessary for work or business; the recovery of a vehicle at the end of an impoundment period. If you purchased your vehicle from a dealership, you must use a temporary registration certificate, or "transit." The dealer provides this document, which is valid for a period of ten days. Lenience will be</p>

shown, given the current situation. As soon as the risk with regard to COVID-19 is reduced, you may proceed with the registration of your vehicle. In order to respect the International Registration Plan (IRP), we will prioritize clients who operate their vehicles outside the province. With regard to those who operate in Québec only, renewal will be carried out gradually. However, please note that leniency will be shown, given the current situation.

SAAQ advised law enforcement to show leniency with expired temp tags.

In accordance with the government guidelines issued on March 23, 2020, the following services are suspended until April 13, 2020:

- annual (or semi-annual) mechanical inspections, whether or not the vehicles are required in order to carry out essential services
- technical appraisals
- inspections of altered vehicles or hand-crafted vehicles
- mechanical inspections for the registration of second-hand vehicles from outside Québec if the vehicles are not necessary for work designated as an essential service to be carried out
- mechanical inspections of discarded vehicles or vehicles that have been stored for longer than 12 consecutive months if the vehicles are not required for work designated as an essential service to be carried out

Extension: In order to support the commercial sector and businesses, the Government of Quebec and the Société de l'assurance automobile du Quebec announce the due date repayment for the payment of costs related to the renewal of your registration (s) for commercial vehicles, which was scheduled for March 31, 2020, to September 2020.

The companies targeted by this measure are the owners of vehicles whose registration deadline is due on March 31, 2020 or April 30, 2020 and whose vehicles are registered as follows:

- Taxis
- Commercial Vehicles

If you wish to benefit from this stay, you must:

- go to our website at saaq.gouv.qc.ca/services-en-ligne/entreprises;
- fill the Postponement of commercial registration form on the home page in order to make a request to the Company;
- send the form to sae.report.Entreprise@saaq.gouv.qc.ca An acknowledgment of receipt will confirm that your request has been received;
- wait for an attendant to contact you to complete the transaction in the weeks following your request

In addition, in order to save as much as possible on your registration costs, we invite you to store the vehicles that you will not use during this period, using the form mentioned above.

If you receive a recall notice or a statement of account following your request for deferral, ignore it. These are generated automatically.

During this period of suspension of 5 months, your registration will be valid, and no interest costs will be charged to you. Police and traffic controllers have been informed of the situation.

Companies having chosen the postponement will be contacted in September for their reminder of payment.
