### **About Element Fleet Management Corp.**

Element Fleet Management (TSX: EFN) is the largest pure-play automotive fleet manager in the world, providing the full range of fleet services and solutions to a growing base of loyal, world-class clients – corporates, governments and not-for-profits – across North America, Australia and New Zealand. Element enjoys proven resilient cash flow, a significant proportion of which is returned to shareholders in the form of dividends and share buybacks; a scalable operating platform that magnifies revenue growth into earnings growth; and an evolving capital-lighter business model that enhances return on equity. Element’s services address every aspect of clients’ fleet requirements, from vehicle acquisition, maintenance, accidents and remarketing, to integrating EVs and managing the complexity of gradual fleet electrification. Clients benefit from Element’s expertise as the largest fleet solutions provider in its markets, offering unmatched economies of scale and insight used to reduce fleet operating costs and improve productivity and performance.
