## Element Closes \$300 Million Common Share Offering

**Toronto, Canada – October 11, 2018** – Element Fleet Management Corp. (TSX: EFN) (“Element” or the “Company”), a leading global provider of fleet leasing and fleet-focused business services, today announced that it has closed the previously announced offering of 45,500,000 common shares (the “Offering”) at a price of \$6.60 per share for aggregate gross proceeds of \$300,300,000.

The Offering was led by CIBC Capital Markets, BMO Capital Markets and Barclays Capital Canada Inc., and included a syndicate comprised of National Bank Financial Inc., RBC Capital Markets and TD Securities as joint bookrunners and J.P. Morgan Securities Canada Inc., Desjardins Securities Inc., HSBC Securities (Canada) Inc., Merrill Lynch Canada Inc., MUFG Securities (Canada), Ltd., Scotia Capital Inc., Cormark Securities Inc. and Raymond James Ltd as co-managers.

The Company intends to use the net proceeds of the Offering to repay existing indebtedness owing under the Company’s senior credit facility and for general corporate purposes.

Element announced the Offering on October 1, 2018 in conjunction with a plan for a transformational reset of the Company’s business. This plan lays out a new path forward for Element with a renewed focus on customers and improved productivity.

“All of us at Element are hard at work executing on our new customer-centric strategic plan,” said Jay Forbes, Element’s Chief Executive Officer. “We appreciate the confidence that investors have shown in our ability to transform Element and reach the full potential of our market-leading fleet-management platform. The entire team is committed to delivering for our customers, investors and all stakeholders.”

Further details concerning the Offering are set out in the Company’s prospectus supplement dated October 3, 2018, available on SEDAR at [www.sedar.com](http://www.sedar.com).

### Forward-looking Statements

This press release includes forward-looking statements regarding Element and its business. Such statements are based on the current expectations and views of future events of Element’s management. In some cases the forward-looking statements can be identified by words or phrases such as “may”, “will”, “expect”, “plan”, “anticipate”, “intend”, “potential”, “estimate”, “improve”, “believe”

or the negative of these terms, or other similar expressions intended to identify forward-looking statements, including, among others, statements regarding the objectives, vision and strategies of Element, the intended use of proceeds from the Offering and the anticipated impact of the transformation plan for a reset of Element's business. By its nature, forward-looking information involves numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, forecasts, projections and other forward-looking statements will not occur. The forward-looking events and circumstances discussed in this press release may not occur and could differ materially as a result of known and unknown risk factors and uncertainties affecting Element, including risks regarding the fleet management and finance industries, economic factors, risks related to the completion of the purchase of new portfolios or technologies or the addition of new clients, risks related to the payment of dividends, risks relating to business integration and many other factors beyond the control of Element. No forward-looking statement can be guaranteed and Element cannot guarantee future results, levels of activity, performance or achievements. Forward-looking statements and information by their nature are based on assumptions and involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statement or information. Accordingly, readers should not place undue reliance on any forward-looking statements or information. While Element believes the material factors, expectations and assumptions reflected in the forward-looking information and statements are reasonable, no assurance can be given that these factors, expectations and assumptions will prove to be correct. A discussion of the material risks applicable to Element can be found in Element's current MD&A, and Annual Information Form, as well as the prospectus supplement filed in connection with the Offering, all of which have been filed on SEDAR and can be accessed at [www.sedar.com](http://www.sedar.com). Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and Element disclaims any intention and assumes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.

*This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.*
