solutions

# Program Overview

Our solution, a strategic partnership with HUB International, allows you to effortlessly configure your profile, policy requirements, obtain a competitive quote, and complete the transaction.

## Enrollment

- Eliminate Q&A delays with seamless digital transfer of submission information
- Access a quote from a broker specializing in commercial auto
- Select from policy options that best fit your unique risk profile and operational needs

## Administration

- Receive notifications when a policy is being reviewed and pricing has been updated via an automatic renewal system
- Stay informed with annual reviews, including calculated savings from mitigating downtime, subrogation recovery, and reduced lost costs through our collision management services

## Driver experience

- Allow drivers to seamlessly download and print insurance cards
- Access a mobile app that empowers drivers by providing consent and a mobile telematics experience with a summary of collected data\*

### About Element Fleet Management

Element Fleet Management (TSX: EFN) is the largest pure-play automotive fleet manager in the world, providing the full range of fleet services and solutions to a growing base of loyal, world-class clients across North America, Australia, and New Zealand. Element's suite of services span the total fleet lifecycle, from acquisition and financing to program management and remarketing – helping clients optimize performance and improve productivity.
