

Advanced Purchase Program

Guaranteed resale values for your vehicles

Unlock guaranteed pricing to sell your fleet vehicles with the confidence that your earned equity can be freed up for strategic re-investment.

A unique way to sell your cars rapidly, instead of waiting days or weeks for traditional auction sales.

Leverage our remarketing expertise

This program is ideal if you want to:

- Move any surplus or older vehicles off your books.
- Mitigate possible fluctuations in the market that may impact future vehicle sales.

Selling your fleet vehicles to Element is as easy as 1 – 2 – 3

- 1 Evaluation** - Element will assess your vehicles for sale and send an offer based on market price.
- 2 Fast settlement** - Once you accept our offer, sales are processed quickly and credited to your next leasing bill.
- 3 Element handles the rest** - We'll arrange to have your vehicles picked up on site and complete any de-identification required.

No waiting.
No hassle.
No risk.
