

Licensing & Registration Renewal

CANADA

We'll deliver your stickers on time, every time

Managing the renewals for your company vehicles is time consuming and complicated. Any mistake can prove costly in the form of tickets, tows or fines as the result of expired or missing stickers. Our Licensing & Registration Renewal program delivers the renewals to your drivers, on time. No more hassles for you, no more lines and wait times for your drivers.

Our team of knowledgeable experts ensure your vehicles are legally on the road. We handle all the administrative tasks associated with licensing and renewals, working directly with you and your drivers to ensure necessary paperwork is completed and the vehicle on road.

We'll monitor, process and keep your registrations current. Let our experts manage the increasingly complex registration process for you.

Licensing & Registration Renewal

In-depth knowledge of provincial requirements

REGISTRATION RENEWAL

Registration renewals for all your vehicles properly completed

- Registration renewal process handled properly and on time across Canada
- Tracks registration renewal dates for plates and stickers
- Monitors changes in province filing regulations
- Minimizes driver downtime by avoiding trips to the Ministry offices
- Toll-free driver call center reduces the volume of driver calls to your fleet department
- Sends stickers and plates directly to your designated drivers
- Keeps your leased vehicles in compliance with provincial laws
- Consolidates all registration renewal fees into a single, monthly invoice
- Eliminates multiple payments to governing agencies and driver reimbursement
- Helps prevent tickets, violations, tows and impounds due to expired stickers

GENERAL SUPPORT

Day to day licensing needs and special tasks

- Handle specialty transactions (i.e., sale/leasebacks, lease assumptions, amalgamation, name changes, provincial registration number set-up)
- Keep your drivers legal when they transfer locations
- Handle ad hoc licensing requests (i.e., initial registration support, new and replacement plates and renewal stickers, replacement registrations and client address changes)
